

SEEKING VOLUNTEERS

TO BECOME INDEPENDENT SCHOOL APPEALS PANELLISTS

We are currently recruiting volunteers to sit on Independent Panels that decide the outcomes of Admission and Exclusion appeals that have been lodged against the Admitting Authority.

We are currently holding appeal hearings remotely but when these return to in-person hearings you will receive travel expenses and lunch provided.

NO EXPERIENCE REQUIRED. You will receive two full day's training from an experienced barrister, and a number of Devon County Council staff are available to get you up to speed on using remote videoconferencing technologies.

If you are interested in applying or would like more information, please contact either:
