

## **Activity/support from DALC (so far)**

- Working with NALC and other county associations to share knowledge and best practice
- Asked NALC to lobby for funding package for local councils to assist with asset transfers and/or legal guidance on asset transfers
- Asked NALC for examples of best practice
- Requested NALC briefing for all DALC councils
- Requested DCC briefing for all DALC councils
- Continuing to engage with district councils wherever possible
- Encouraging member councils to carry out asset mapping in their communities
- Asking member councils to write a statement about what is important in their communities now, what they do with their communities now, and what are their aspirations for their communities, to help DALC build an evidence base.
- We will continue to keep you updated
